163-09 Northern Boulevard • Flushing, New York 11358 • 718-461-6633

Holiday Greetings to all of our clients. We hope this holiday season brings you warmth, health, happiness and prosperity throughout the year. We at Mallilo & Grossman extend our best for a great 2005!

NEW LAW OFFICE OPENS

We are pleased to announce that we have a new location in addition to our Flushing site. The new location is:

**Law Offices of Mallilo & Grossman
1957 Flatbush Avenue
Brooklyn, NY
718-951-7345**

Our Brooklyn attorneys are Beth Gersch and Cateline Mark. Beth is the managing attorney at this location. Beth's expertise lies in matrimonial law, real estate transactions and negligence. Beth has been an asset to our firm since 1994. Cateline's expertise lies in negligence law.

In addition to Beth & Kathy, this law office is fully staffed with supporting personnel. We welcome Jennifer, our Office Manager, Cheryl, our Settlement Coordinator, Theresa, our Receptionist and Millie Cooper, our Secretary. If you are ever in the area or know someone in need of an attorney in Brooklyn, do not hesitate to stop in or send a referral.

CHANGES MADE IN 2004

In order to serve your legal needs more efficiently, we have made several positive changes. They are as follows:

- We are becoming a paperless office. By that we mean that all original documents are now scanned into the computer. Such documents can include police reports and court decisions. But, alas, do not fret over "Well, where are the original hardcopies?" As with any legal document they are kept on file the old fashion way!
- Mallilo & Grossman has expanded it's Matrimonial and Family Law Department. Jawan Finley, Esq., who has been with Mallilo & Grossman since 1993 heads this department, along with Anthony Mallilo. She is available for your needs if you have a matrimonial, Family Law, employment discrimination or sexual harassment problem.

Mallilo & Grossman also welcomes Alfred DiGrazia, Esq. He is a former Assistant District Attorney in Queens County, who has been a criminal attorney and Civil Court trial lawyer for 20 years. He heads our Criminal Law Department and works with Robert Parker, Esq., another former Assistant District Attorney. Both of these attorneys are fine additions to the trial lawyers already with our firm.

Although the law office of Mallilo & Grossman has expanded to add these experienced attorneys in Matrimonial and Criminal Law, as always, litigation concerning the laws of negligence is still the mainstay of the largest litigation firm in Queens, Mallilo & Grossman.

As always, Anthony Mallilo and Jack Grossman will be supervising all cases in Brooklyn and Queens.
